

At Puppy Love, we make your dog's well-being our top priority!

Puppy Love is a wonderful way for your dog to socialize, exercise, and play with friends while you are away.

How many times have you come home exhausted from a hard day of work and you're ready for a nap... but your furry friend has other plans?

Or, do you feel guilty leaving your dog in a cage 24/7 when you are out-of-town?

Puppy Love offers an environment for your dog to romp and wrestle off-leash (indoors and out) with other friendly, fun loving dogs. Couch potatoes are also welcome!

Puppy Love offers separate play areas for different play styles. We also have 4,400 SF of grass, fenced-in play yard. All play areas feature a fun atmosphere, toys, beds, television playing cartoons & daily scheduled activities.

Web-Cam viewing is available during normal business hours so you can check in and make sure they're having a great day!

- Spayed/neutered unless 6 months or younger
- Vaccinations: Bordatella/Kennel Cough every 6 month, DHPP&Rabies annually
